

high-level engagement in the oil and gas conference

We are delighted that our Managing Counsel to have been given an opportunity to participate and share his experience in the oil and gas industry during the high-level engagement in the oil and gas conference organised by East Africa Law Society this Friday. The government of her Excellency Mama Samia Suluhu Hassan is doing a great job to empower Tanzanians and it's high time we embrace that. It's an opportunity for Tanzanian lawyers to explore opportunities in the EACOP project.
